

Leveling-Up Your Relationships The Success Cycle and Insights

Relationship Success Cycle

- ♦ Observe - Pay attention to what works and doesn't work
- ♦ Interpret - Understand what you are observing - why is it working or not working?
- ♦ Accept - Accept that what you have observed is your current reality
- ♦ Learn - Receive what you were supposed to receive from what you observed
- ♦ Adjust - Make the changes, based on what you learned, that will bring the desired outcome
- ♦ Repeat

Relationship Success Insights
